Dear Professor,

Please read the attached MS Word file thoroughly and make the changes in the MS Word file. Do not change the page number or lay out. Read every word / sentence. Be serious about spelling. Sometimes words may be merged. Identify and correct them (if any). Look carefully at the tables and figures. Make the correction if necessary. Finally be careful about your name and affiliation details.

If possible, edit your paper in consultation with your senior colleague(s) to ensure the grammatical and conceptual correctness.

Send the final revised paper by August 23, 2013

No complain/request for changes will be entertained after August 23, 2013.
